KEEP ON TRUCKIN

He's a working class hero!

WE DIG IT!

WADDYA do after you've been flogging your guts out all day in the hot sun, digging up beaut minerally shit to sell to our Chinese mates and keep our economy on the rails?

Apart from telling ya boss to get fucked, that is. That goes without sayin'.

If you're anything like this bloke, what you really want is a refreshing dip in some nice muddy water in the back of your very own MONSTER TRUCK.

Add a couple of pool toys, the latest Mills & Boon romance novel, a cuppa tea and a nice bickie, and you wouldn't trade it for a month's holiday on Richard Branson's private island in the Caribbean.

Well, you WOULD, but that's probably not a realistic option.

Nah, this bloke looks happy enough. But we just heard the Chinese have put in another order for a squillion tonnes of coal, so he'd better get his FUCKEN FINGER OUT and get back to it, eh. ■ Picture

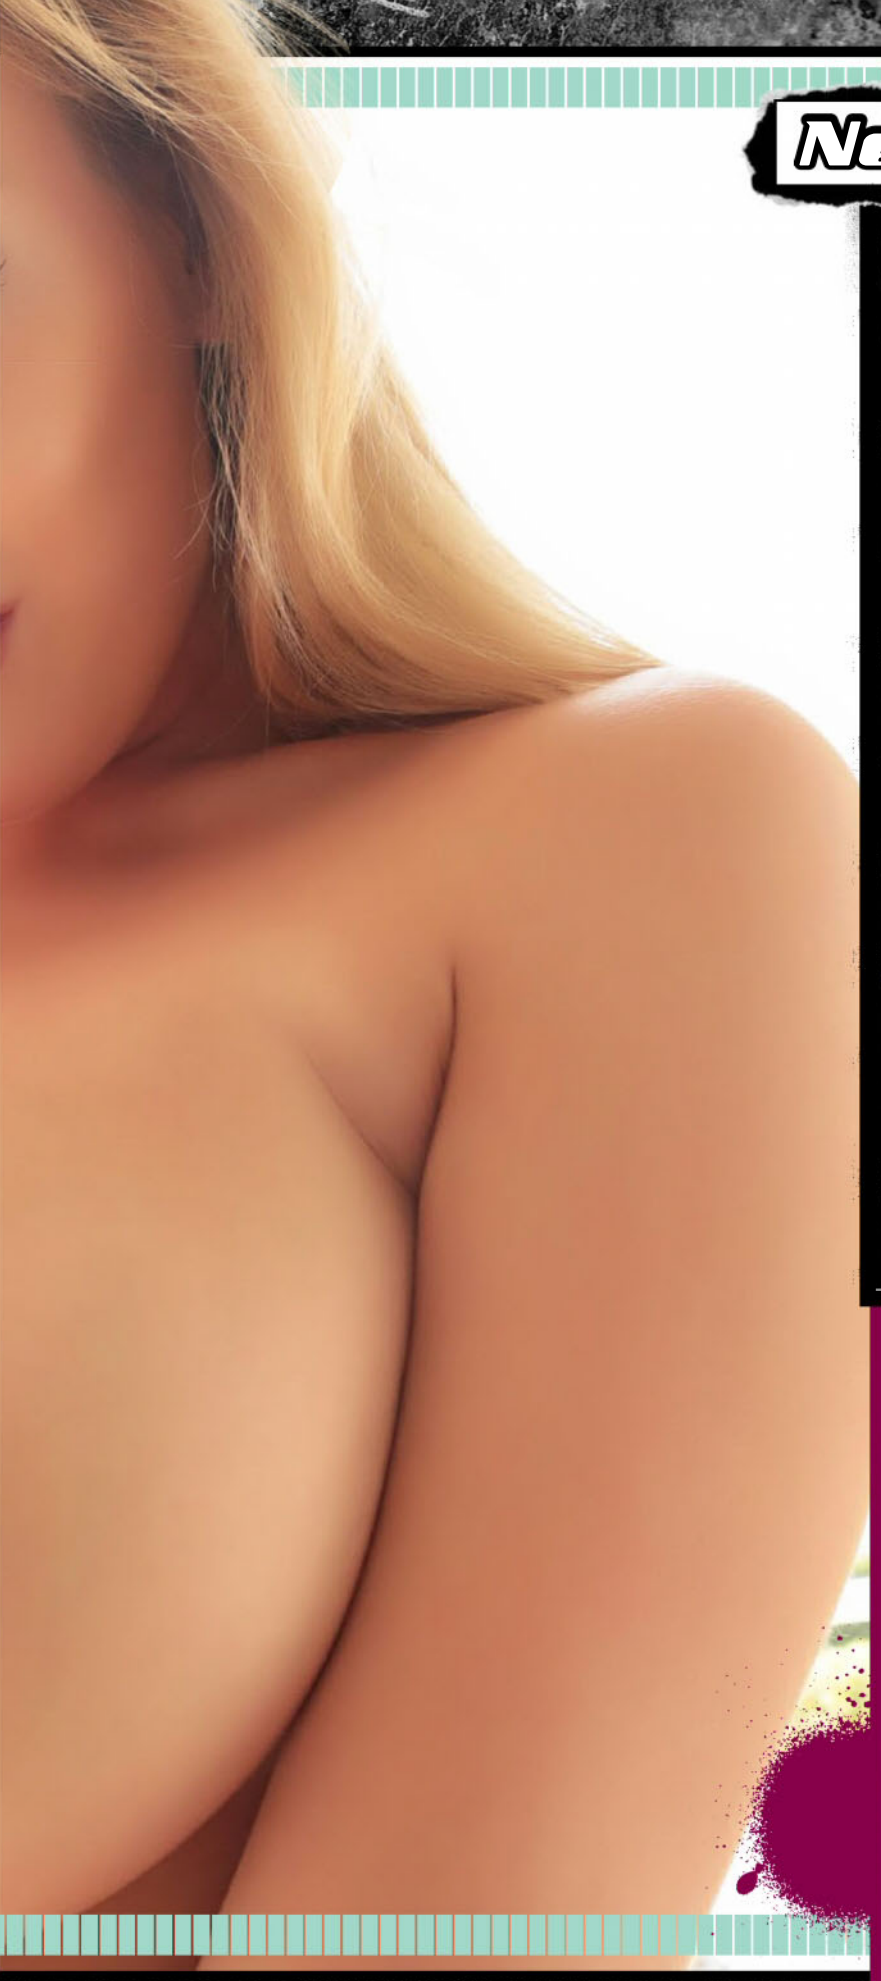
Cosmic CANS!



Beth's boobs make strong men cry

BETH Lily's tits have been described as OUT OF THIS WORLD. We're certainly afraid of them.

From this angle we feel like we're about to be swept away by a deadly BOOB-ALANCHE, suffocated by an advancing tide of CHEST MUFFINS – huge, pink and RELENTLESS.

Those giant, double G-cup GORGONZOLAS could roll over us like a Kenworth truck over an ant and we'd never know what hit us.

It wouldn't be a bad way to go, though. There'd probably be a moment of spiritual awakening, when, overwhelmed by the PRIMAL BREAST, we'd realise the end was nigh and just surrender to the inevitable.

"Go towards the cleavage," a spooky voice would say, and, trustingly, we'd wonder away into the unknown, to disappear into the great cosmic rack, and re-emerge... where?

Yeah, well, that's the question, innit.

'Cos as much as diving SCONE FIRST into the 20-year-old Pommy model's behemoth boobage sounds like a FUCKOFALOTTA fun, what happens when you pass through to the OTHER SIDE?

What's going on in that ALTERNATE BOOB UNIVERSE out there, eh?

Maybe there are INFINITE number of SUPERBOOB UNIVERSES, with an infinite number of INCREDIBLE RACKS like Beth's.

And when you travel through all of them SIMULTANEOUSLY at the speed of light, the answers to the all BIG QUESTIONS about EVERYTHING are suddenly SPEWED UP in front of you like last night's kebab.

Ah, tits. They can take you to some amazing places, readers. ■ Picture

New Tits On the block

Cosmic CANS!

STICK WITH IT

THANK fuck for Seppo Jamie Keeton's STICKY SKIN, 'cos without it, he wouldn't be earning a FAT WAGE in the circus side-shows. Jim's got some weird skin condition that makes all sorts of stuff – bottles, cans, phones, Stephen King paperbacks – stick to him. Erm... HOORAY! While it's not quite as nifty as sword swallowing or lion-taming, it's given the 47-year-old from Chicago a career travelling the world. He calls himself "a real-life X-man", but sticking a couple of beer cans on your noggin isn't nearly as cool as having knives shoot out of your knuckles.

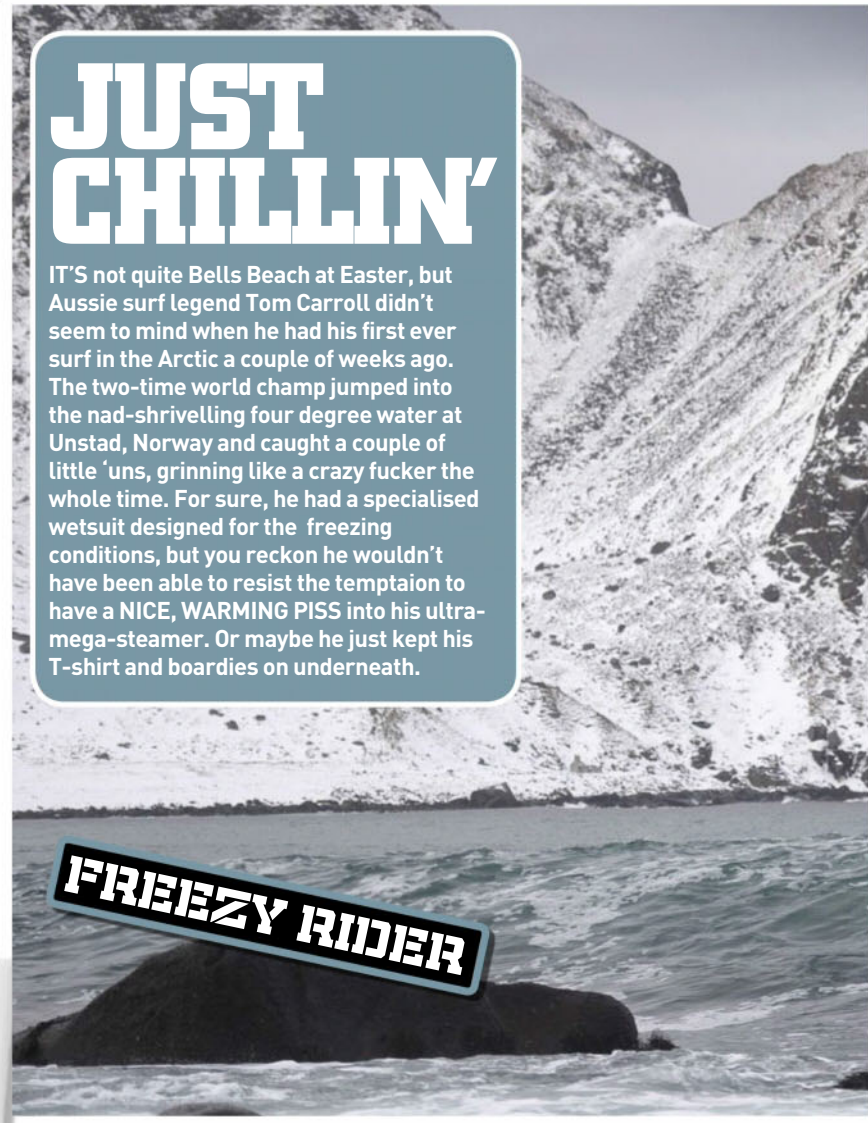
#291 WE DREW A COCK ON IT

JUST CHILLIN'

IT'S not quite Bells Beach at Easter, but Aussie surf legend Tom Carroll didn't seem to mind when he had his first ever surf in the Arctic a couple of weeks ago. The two-time world champ jumped into the nad-shrivelling four degree water at Unstad, Norway and caught a couple of little 'uns, grinning like a crazy fucker the whole time. For sure, he had a specialised wetsuit designed for the freezing conditions, but you reckon he wouldn't have been able to resist the temptaion to have a NICE, WARMING PISS into his ultra-mega-steamer. Or maybe he just kept his T-shirt and boardies on underneath.



SLEDDING IN A SUBY

CRAZY stunty Mark Higgins, who was the double for Daniel Craig in heaps of James Bond driving scenes, reckoned it was about time he was the star. So he made the bold decision to fang his Subara WRX STI down the Olympia bobsledding track in St Moritz, Switzerland. He nearly flipped the Suby a couple of times during the two-minutes of pants-shitting fun, but managed to wrestle it back onto track and finish the run. He was originally gunna have a couple of goes, but then figured once was enough. "I think I'm gonna have a sore neck tomorrow," he said afterwards.

PUMP THE SHARK

ONE of the best uses for a dead shark, apart from fish 'n' chips, is as a beer can opener. Yeah, we know about pop-tops, but what about when ya wanna puncture the can then shottie it? A seppo bloke demonstrated the correct method in this video uploaded to Instagram: grab dead shark by nose; whack can on shark tooth; pop; guzzle. Champion! Best bar accessory ever.

POMMY CUIINNTS

THE Poms got a bit red-faced when this personalised number plate went up for sale the other day. They think it's RUDE. "We've seen a few weird and wonderful plates in our time but this one takes the biscuit," said Jake Smith, whose company was sellng it on behalf of the owner. "It's very unusual for a plate like this to be available. Normally they will pull plates like this off the market before their release but this one must have slipped through the net." Jake expected it to go for about A$10,000. This just proves another one of our theories – Poms can't spell.

FUCK YASELF HEALTHY

PORN legend Nina Hartley, 58, has confirmed what we knew all along – rooting is really, really good for you. The 33-year veteran, who is also a registered nurse, reckons she's been on a healing mission ever since she got into the fuck-acting caper. "I entered the porn industry to heal others through the healing power of touch," she reckons. "Good, positive touch can lower our cortisol levels, which can improve our libido, digestion, sleep and immune response. When we're having physical sex, we begin to experience physiological and physical healing. The same goes for doing porn." We feel better already!

SPIT & P

Titanic-titted Tessa will give you a premium wash 'n' wax

OLISH

YA GOTTA keep it clean. At least that's what our mums always told us.

So whenever it gets a bit GRUBBY, we get Tessa to come over and give it a good scrub.

First she soaps it up, making sure it gets all wet and sudsy. Then she gives it a thorough RUB-DOWN, using her big, soft BUFFERS to bring up the shine.

But she ain't finished yet, not by a long shot. Working up another good load of lather, Tessa RUBS it and SCRUBS it until her MASSIVE MILKERS are quivering with exhaustion.

Stroking the bodywork, she polishes it like a champion until it's gleaming like a big, gleamy thing. Then, and only then, is she ready to apply the final touch – a wax job so good she can see her FACE in it. Or is that the other way round? Never mind. The point is, it'll be so clean by this stage you'll never want to get it dirty again.

But where's the fun in that? Sure, it's great having a clean, shiny one, but you're gunna want to take it for another run as soon as you can.

And you can bet it's gunna get dirty again. And then you'll have to call Tessa.

She so good at it, one of these days we might get her to wash our car. ■ Picture

LANA IVANS

It pays to keep a close watch on Lana's knockers. They're tricky li'l bastards! They've been as big as a G-cup, and down to an E-cup, depending on her pie intake. The 27-year-old Romanian porno actress likes to keep us guessing.

MILA AZUL

No wonder this 19-year-old Ukranian porn model has a big, shit-eating grin on her face. She gets to play with those beaut C-cup slam-dunks every night when she goes to bed. Probably has a fiddle at smoko, too.

ANISSA KATE

This French babe with the dazzling D-cups was a keen swinger before she moved to the US to take up a career in porn. A lover of gangbangs, Anissa likes to treat her tits to a good coating of splooge whenever possible.

SHEELA A.

This 21-year-old Ukrainian porn model with the fantastic D-cups DOOBIES spends a lot of her working day wanking herself off in front of a camera. It's a tough job, but someone's gotta do it. We bet she enjoys a coldie afterwards!

Sybil's got the kind of tits other women point at on the street and tell their husbands: "I want some of those for Christmas." Only what Sybil has, money can't buy. For all the shit we give Mother Nature, she done alright here.

JENNIFER

"Gaze in awe at my fabulous long blonde hair," Jennifer seems to be saying. Yeah, thanks love, but if its all the same to you, we'd prefer to go cross-eyed staring at your excellent natural tits. Nice hair and all, but it's no contest.

KARLEE GREY

"With perfect natural tits like mine, why should I care if my pussy looks like an overgrown hedge?" asks young Karlee, quite reasonably. "After all, I can hardly see it anyway." Don't worry, love, it all looks fine to us.

You're Joking

TWO cowboys were sitting at a bar talking about their sex lives when one asked the other if he'd ever tried doing it rodeo style.

"No, I can't say I have," came the reply. "How does that work?"

"Well, first you mount your wife from the back, reach around and cup her breasts with both hands," the first cowboy explained.

"Then you say, 'Boy, these titties are almost as nice as your sister's.' Then you see if you can hold on for more than eight seconds."

A.W., VIA EMAIL

A JACKEROO went to the pub after a hard day's slog and sat down for a beer.

After downing his first schooner he noticed a spunky babe at the other end of the bar, so he went up and put the moves on her.

Within a few minutes he was well and truly in, so he asked her to come back to the station for a fuck.

"I'd love to," the sheila said. "But I'm on my menstrual cycle."

"No worries," said the jackeroo. "You can chuck it in the back of my ute."

JOKE OF THE WEEK WINS $100

A LONELY woman in her 70s decided that it was time to get married, so she put an ad in the local paper that read: **'HUSBAND WANTED! MUST BE IN MY AGE GROUP (70s), MUST NOT BEAT ME, MUST NOT ROOT AROUND ON ME, AND MUST STILL BE GOOD IN BED! ALL APPLICANTS PLEASE APPLY IN PERSON.'**

The next day she heard the doorbell. Much to her dismay, she opened the door to see a grey-haired man with no arms or legs sitting in a wheelchair.

The old woman said, "You're not serious, are you? Just look at you! For a start, you have no legs!"

The old man smiled, "Therefore I can't root around on you, can I?"

She snorted, "You don't have any hands either!"

Again the old man smiled. "So I won't be able to beat you!"

Then the woman raised an eyebrow and gazed intently at the man. "And how are you in bed?" she asked.

With that, the old bloke leaned back, beamed a big smile and said, "I rang the doorbell, didn't I?"

MICK, LITHGOW, NSW

A BLOKE goes to a female dentist to have a tooth extracted. He's a bit nervous, and when she pulls out the needle he freaks out and says, "No way! I hate needles."

So the dentist hooks up the nitrous oxide mask and the man says, "No, I can't do gas. either. Just the thought of having the mask on my face makes me scared."

The dentist then asks the patient if he has any objection to taking a pill.

"No probs," he says. "I'm fine with pills."

So the dentist hands him two pills.

"What are they?" he asks.

"Viagra," says the dentist.

"Wow!" says the patient. "Does Viagra really work as a painkiller?"

"No," she replies. "But it'll give me something firm to hold onto while I pull your tooth out."

A DRUNK bloke was stumbling down the street late at night with one foot on the curb and the other in the gutter, barely able to stay upright.

The wasted man asked, "Officer, are you absolutely sure I'm drunk?"

"Yeah mate, I'm real sure," said the cop. "Let's go."

Breathing a sigh of relief, the drunk exclaimed, "Well thank fuck for that! I thought I was fucken crippled!"

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:

GOODNESS GRACIOUS TITS!

THE PICTURE April 3, 2017, has lots of best-attractive-shapely-big -artistic breasts to attract all ages of males and females. The bust of it is sexiest pictures of cupping breasts in hands-palms! 'New Tits', 'Free The Fun Bags' and 'Banned' are too hot! 'The Art Of Sledging' have best of erotic females in action with breasts play.
Yours faithfully,

M. K., NEW DELHI, INDIA

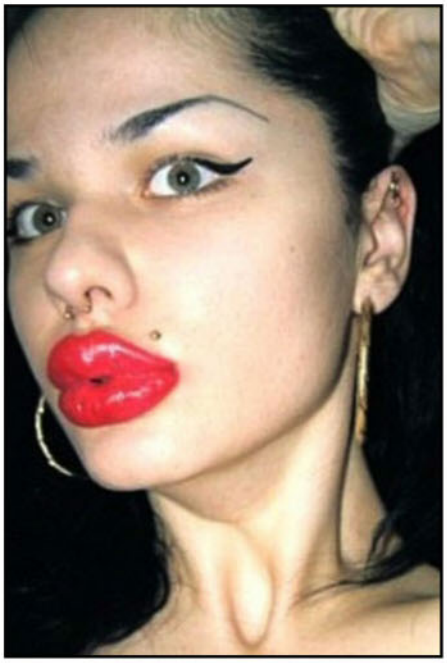
MUNGO SAYS: Good to hear from you again, M.K. And good to see that the current argy-bargy between our respective test teams doesn't stand in the way of our on-going friendship. We rise above such things, you and I.

SCARLETT'S TWIN

JUST reading picture #1426 and I cannot take my eyes off the nude chef Scarlett Morgan. She must be the twin of the chick on *Married At First Sight*, Cheryl Maitland, same hair, same boobs same tan, just as horny. They are the closest spunks that are not twins that should be.

A.R., CABRAMATTA, NSW

MUNGO SAYS: Shit yeah! I looked up some piccies of this Cheryl bint, and they do look a lot alike. So I'll pay that. However, I would like to go on record as saying that* Married At First Sight *is a steaming pile of dog turds featuring a roster of A-grade fuck-knuckles with all the personal charm of rotting kelp. But maybe that's just me.



GIVE A MAN A FISH...

WHAT is it with the fish lips? I'm always seeing these photos of chicks who've had something weird done to their lips so they end up looking like a fish, or if it goes really bad, Donald Duck. Can they still eat through those things? And more importantly, can they still give blowies?

CHUCK, IPSWICH, QLD

MUNGO SAYS: Mate, I don't fucken know. They pay good money to have stuff injected in their lips 'cos they think it looks sexy. I think it looks like they've had their gobs caught in a laundry roller. I can't say for certain, but I'm guessing their blowie-giving abilities would be severely hampered. I reckon it would be handy if they wanted to eat pizza under a door, but.

MUNGO WANTS TO KNOW...

And speaking of Married at First Sight, what do ya reckon is the worst show on TV? I got better things to do with my time than watch all the shit they put out these days, but you, my loyal readers, can set me straight. Give it both barrels. Go hard.

ALL STAR CAST

MUNGO, isn't it about time an enterprising porn producer got all the great Aussie talent into one movie? I'm talking Angela White, Sammi Rosee, Gigi Allens, Kiki Vidis, Monica Mayhem, and there are probably heaps more out there. I reckon, since you're a man of words, you could write the script, and since it's my idea I could be oil-boy. I reckon it'd be a huge seller 'cos everyone would want to see our local-born talent all together in one movie. Waddya reckon, old mate?

M.K., LANDSDOWNE, NSW

MUNGO SAYS: That idea has a touch of genius about it. As far as I know, none of them have ever appeared together. Personally, I'd love to see Angela and Gigi go smoo-to-smoo, and if they could get Kiki out of retirement to join them, even better. Then you'd have a blonde, a brunette and a redhead – the holy trinity of porn! And I reckon I've got a film script in me. Yep, it's a goer as far as I'm concerned. Now we just have to convince the girls...

WE LOVE BALLS!

MUNGO, THE PICTURE used to feature stories on B&S balls quite frequently but I haven't seen any in the mag for a while. Why don't you get along to one and give a special report? I'm sure everyone would welcome you with open arms and buy you a drink, and you might even pull a root despite that ugly mug!

BRETT, COBAR, NSW

MUNGO SAYS: Yeah, thanks but no thanks. Why all you cunts wanna get hammered in a paddock, sleep in the back of a ute and have sex with women covered in mud and vomit (probably yours) has always puzzled me. Anyway, being a city boy, I don't do well in the country. All them sheep make me nervous. I don't like the way they look at me.

The caped crusader!

EYE-EYE, CAP'N!

JUAN José Padilla, the one-eyed Spanish matador known as The Pirate, has been hard at work again. The other week Juan left a few more litres of his blood over the sandy surface of a bull-ring in Valencia, Spain, after a big toro hit him so hard his glass-eye popped out. Juan, gored clean through the thigh, just bunged a bit of spit on his new wound, tied it up with a hanky and MATADORED ON. It wasn't until they got him to hossie after he'd croaked the bull that docs discovered he had also been gored in the chest, just missing a lung. But really it was just another day at the office for The Pirate, who has bled like a champion in every major bull-ring in Spain over his long and gory career. His most memorable day, however, was October 7, 2011, when he copped a horn though his jaw, that popped out through his left eye socket GENTLY DISLODGING his peeper. Against the advice of just about everybody, he was back in the ring in Match 2012 with the eyepatch that gave him his nickname. Yeah, Juan's a tough nut. We just hope Johnny Depp plays him in the movie.

BIG IS BEAUT!

More oversized stuff we'd love to see

AUSTRALIA's has always had the best big shit. World-beating tourist attractions like the Big Banana, the Big Merino, the Big Trout and all the rest make us crack BIG PATRIOTIC STIFFIES.

But they're all getting a bit old and shithouse now, so it's about time we had some new big stuff.

So who wants to get out the chicken-wire and concrete and knock us up some of these? Get on it! Picture

Talking Dirty

WITH TRINITY

"LET HIM COME ON YOUR FACE - GUYS LOVE THAT"

PEEK-A-BOOB!

HEY babe, I really enjoy seeing guys perve on me in public. If I'm on the train, I might let a bit of my nipple slip out and watch guys sneak a glimpse. I don't actually want to fuck them, but I enjoy the rush. Is that wrong of me? Am I teasing too much?

LAYLA, ROCKY CREEK, QLD

TRINITY SAYS: ***Keep on being your bad self, love. I think it's hot as fuck, but some guys may certainly get the wrong idea. So just remember to stay safe while you're doing it, otherwise keep it up gorgeous, I think it's awesome!***

HUNGRY, HUNGRY HIPPOS!

I WAS having a brew with the lads the other night and chatting about getting head. We all came to the agreement that bigger chicks suck mad dick. But does the same apply to blokes? Are fat guys better at eating pussy?

GAV, NORTH SCOTTSDALE, TAS

TRINITY SAYS: ***Absolutely not, to both of those statements. You are wrong. Size has nothing to do with a person's ability at oral sex. Fat, skinny, tall, short; you either love it and are good at it or you're not. If you can't do it then at least try and learn.***

BALL SKILLS

HEY Trin. Do you support a footy team? I reckon you look like you'd be a Brisbane Broncos supporter for some reason. Have you ever rooted a footy player?

HENDO, LITHGOW, NSW

TRINITY SAYS: ***Haha, I've been asked this question before. I used to watch the footy but haven't for a few years now. I supported the Dragons and frothed over Matt Cooper and Daniel Mortimer, but I never got to fuck them or any other footy player.***

BLOW BY BLOW

I'M a huge fan, Trin. It's my man's birthday in a few weeks and

Velvet Cream Imagery, iStock

I'm hoping to surprise him with a killer blowjob. Have you got any suggestions for giving a great one? I tried doing it with ice cubes once and I don't think he really loved it that much. Any advice would be awesome.

KIM, VIA EMAIL

TRINITY SAYS: ***Don't use props! It's all about technique; plenty of spit, deep throating and general enthusiasm. Slow to start and then gradually get the pace up. Let him come all over your face too – guys love that.***

BACKDOOR BANDIT

MY man is obsessed with anal. All the porn he watches has to do with anal and whenever we are having sex he's always touching my arse. I don't really enjoy it, but I've heard it takes some getting used to. What are your thoughts on the matter? I remember you said you didn't mind it sometimes.

MIKKAH, VIA EMAIL

TRINITY SAYS: ***Babe, I've been anal training myself lately! It wasn't my most pleasurable experience initially, but it's certainly growing on me the more I practice. It definitely takes a bit of work but is well worth the effort.***

TOON POON

WHAT the fuck's all this weird Japanese cartoon porn shit I see everywhere now? When did the world get so fucked up that people began beating off to cartoons? Do you like that stuff, Trin?

CONFUSED, YALLABATHARRA, WA

TRINITY SAYS: ***I don't rate it all. I just don't see what the fuss is about. Those Japs certainly are into some weird shit, but each to their own. Personally I prefer the real-life stuff not the drawn-on crap.***

SHAKE IT OFF!

MY BOYFRIEND reckons I have really intense orgasms. When I come, my whole body shakes and vibrates and it's so full-on that I have to lie down for a bit after. My friends think it's great, but it can sometimes be too much. What are your orgasms like?

BRIANNA, BILLABONG, VIC

TRINITY SAYS: ***Babe, mine are exactly the same – fucking intense! Especially now that I've learnt to squirt, my orgasms are a whole new level. It's awesome and you should be stoked that you're coming so hard. If it's too much, just break for a couple of mins then get back to it.***

IN THE ZONE

I'M 22 and a good-looking guy. I have heaps of chick mates, but I don't really fuck any of them. My guy friends reckon heaps of girls like me, but I just can't tell. Is there anyway you can know for sure if a chick wants to root you or not? I also don't want to ruin my friendships with these girls by making a move. Help Trin!

B.M., VERDUN, SA

TRINITY SAYS: ***Hmm, friend-zoned isn't an uncommon thing but there's definitely a fine line. My theory is to just ask. Put yourself out there mate, ask them for a date, the worst thing they'll do is say no. No reason to lose friends over a simple date. If they like you they'll say yes, if not then at least you'll know.***

TRINITY'S SEX TIP

Fucking someone sober is completely different to fucking them drunk. Especially if you're wondering if they really like you. If you're only the drunken weekend booty call, then it's probably an indication it's a fling. But if you're getting your root on sober mid-week, then there's more likely to be real feelings there.

Still tastes better than kale

SKIING is a funny caper involving sliding around on slippery shit with planks strapped to your feet.

Anyone with any brains wouldn't have a bar of it, but all over the world planked-up fools go nuts whenever they see a bit of snow on a hill and can't wait to get out in it and do themselves damage.

Seppo ski instructor Natty Hagood, 29, was on his first run of the day when he took a detour through some trees. Then one of the trees took a detour through HIM.

"I thought maybe my chinstrap got pushed up into my face, so I tried to brush it off and that's when I felt the stick," he DROOLED.

"I saw the stick moving in my peripherals. I reached out and grabbed it and wiggled it before realizing it was pretty far in there."

"I thought 'Holy crap, I just got impaled'," Natty NATTERED.

"Then I yelled over to Pete 'Hey look, I got a new piercing.' "

Natty broke the stick off, then rescuers strapped the rest of it to his face for the run to hossie, where docs wiggled it out and stitched him back together.

"They cut the section of my lip near the exit-wound, trimmed the back half and pulled it through."

Just 15 stitches and Natty was OK. His trumpet-playing career is FUCKEN OVER, but. ■ Picture

TITS ON THE TOWN!

Joey Fisher gives her giant jubblies a big day out!

"I CAN LICK MY OWN NIPPLES!"

IT'S only fair. Joey Fisher's incredible tits have earned her a good living over the years, so why wouldn't she give them a day off to relax by the pool and take a breather?

Joey's the kind of down-to-earth Welsh girl who knows when she's on a good thing, and she's gunna stick with it.

Maybe it was all those years of eating her vegies and being kind to those less fortunate than herself, but one day she was rewarded with a visit from the nork fairy and the world has been her lobster ever since.

"They just blossomed and never seemed to stop growing," she says of her amazing 30GG chest puppies.

So you think they're pretty hot, too, eh Joey?

"I've been blessed with a good body that requires minimum upkeep."

If you ever need anyone to check 'em out for a pink slip, just let us know. Is there a downside to having such outrageous knockers?

"They sometimes pop out when I don't want them to, but

mostly they just hang around."

C'mon, it must be pretty cool being able to play with a beaut pair of tits whenever you like! What do you get up to with them when you're alone?

"I can kiss my boobs and lick my own nipples."

There ya go. That sounds like more fun than cleaning out the gutters. Are you the type of hot and raunchy chick that'll shred our sheets and upset the neighbours with your constant high-pitched squealing?

"Nah, that's not me. I guess I'm more the sort of girl your mother would love."

Mum can get fucked. She's got Bingo. What gets you moaning in bed? You can tell us.

"OK, I love having my back tickled. It drives me crazy. But it has to be done sensually."

Say, did you know that on WikiFeet, the celebrity feet website, 108 out of 164 correspondents rated your feet as 'beautiful'?

"No, I didn't know that. I can't say I've ever thought about my feet much."

Stands to reason. Hell, you've probably never even SEEN your feet! ■ Picture

Made in **Oz Girl**

Roller ARBIE!

You'll fall head over wheels in love with Anna

MOST people reckon rollerblading is about as cool as wearing CROCS WITH SOCKS, but 22-year-old West Oz babe Anna begs to differ.

"I've been rollerblading since I was a kid," says the SEXY SKATER. "It's heaps of fun and a great workout!"

Do you always do it in the NUDDY?

"Of course not – can you image the scratches I'd have all over me!"

Not your knees, they seem well protected. Ever chuck those knee pads on for a bit of protection during DOGGY?

GET YA SKATES ON!

Made in Oz Girl

"Yep, they work great. One time I had sex in all my gear, including my boots. It was with this skater guy and we snuck off behind the skate bowl into the bush and fucked in there."

Did any of the other skater boys and girls notice you two nicking off for nooky?

"I don't think they knew while we were having sex, but when we walked back out together all his mates let out a cheer – it was so embarrassing!"

Do you often enjoy a PUBLIC PORKING?

"It's definitely more exciting, but you couldn't do it all the time. Actually, there's nothing better than having a nice big bed, a few candles lit, some sexy music, a couple of hours to spare, and of course a beautiful man to spend it with!"

You must get ELEVENTY SEVEN offers from blokes every day.

"I get a few. I generally go for the quieter, arty, skater types. I don't like anyone who is too loud or over confident, that's a massive turn-off for me."

What's the one bit of rooting advice you'd like to give every Aussie bloke?

"Pay attention to me! That's number one. I hate when guys just get into a rhythm and pound away. I want kisses and tickles and us to be whispering loving things to each other!"

What about kinky stuff?

"I don't mind having my bum slapped while we're doing it."

Can we get that in writing? Picture

My Threesome

COOKING WITH GAS!

AS A professional chef I think TV cooking shows suck, but at least they led to my first ever threesome.

See, there were these two knock-out escorts, Jade and Suze, living in the apartment above me, and I got to know them because occasionally one of their G-bangers would fall off their clothesline onto my balcony, and they'd knock on my door to retrieve it.

They knew I was a chef, and one day they told me they auditioning for one of those cooking shows and could I give them some pointers?

I was sure they'd never make it on the show, but I wasn't gunna tell them that, so I told them to come back that night for a crash course.

It went about as I expected – they fucked up everything, but I kept pouring the wine until we were all having a great time anyway.

Then Jade said: "We better thank you properly for trying to help us" and grabbed me on the cock, and Suze moved around behind me and mashed her tits into my back.

Turned out the two-girl experience was their specialty, and they proceeded to give me a freebie.

Jade dropped to her knees, pulled out my cock and starting gobbing me off, while Suze quickly got naked and then stripped Jade's clothes off her.

They took turns sucking me until I really needed to fuck one of them, so I dragged Suze onto the floor, spread her legs and started pounding away.

Jade straddled Suze's face and lowered her steaming pussy until Suze was licking it furiously. This brought Jade's tits level with my face, so I sucked her rock-hard nipples.

There was food falling off the counter and wine spilt everywhere, but we didn't care as all three of us were getting off big time, and it wasn't long before we all came like trains.

Then I cooked them a proper meal and we headed off to bed for another fuck.

LUKE, BELMORE, NSW

THE BUDDY SYSTEM

I KNEW Kent and Tom from school and had always fancied both of them, so when I ran into them at a pub a couple of years later I felt an immediate stirring in my smoo.

I joined them for a session, and all the time I couldn't stop thinking, "Which one am I gunna fuck?"

I still hadn't made up my mind by the time we were leaving, so, pissed and horny as I was, I took them both home.

It was bit awkward at first because they didn't know what I had in mind, so I sat them on the couch, gave them a beer each and proceeded to do a drunken strip-cum-lapdance for them.

By the time I was naked and sprawled across their laps they had the idea, and while Kent pashed me and playing with my tits, Tom fingered me expertly, making my pussy even wetter.

It was going great, but I wanted to see some cocks. I unzipped each of them in turn, gave their hard-ons a loving lick, then started calling the shots.

I told Tom to shove his cock inside me and fuck me hard, and when he'd started I told Kent I wanted his dick in my mouth. I arched my neck back and he slid it in down to my tonsils, so that his lovely shaved balls were bouncing on my forehead.

I was wriggling my hips up and down and side to side and after just a couple of minutes I could feel Tom was about to come. So I grabbed his arse and forced his cock even further into me, at which stage he came like a train, filling my cunt with his hot jizz.

Kent wasn't far behind him, rewarding my expert sucking with a mouthful of his sweet spoof.

I think they were both a bit shocked, but I was happy as a pig in shit.

I WAS just a naïve young bloke from the country when I went to visit my Uncle Bob on the Gold Coast the year after schoolies.

Whereas at schoolies I'd been getting hammered on the beach and trying to fuck drunken chicks my own age, staying with my uncle was much cooler.

He was a partner in a strip club, and every night some of the strippers would come back to his place for an after-hours party.

I hung in the background enjoying the show until my uncle grabbed me and shoved me between a couple of the hottest babes I'd ever seen, let alone spoken to, and asked them to take care of me.

I don't know if he meant "take him somewhere and root his brains out" but that's what they did.

They grabbed a bottle of champagne and steered me into a bedroom, where they stripped me, shoved me on the bed then got naked themselves.

Then these two gorgeous babes doused themselves in champagne and gave me a double body slide, covering me in wet girl flesh.

I felt a big, firm titty shoved in my mouth, and at the same time one of them grabbed my hand and shoved it between her legs, where I proceeded to finger – a bit clumsily, probably – her warm, wet cunt.

Eventually I was lying there with each arm around a horny, naked stripper. They kissed their way down either side of my body, and when they got to my cock gave me a double blow-job where they were tongue kissing each other with my dick in the middle and every now and then one of them would gobble it all the way down.

Needless to say, I didn't last very long, but they seemed impressed by the geyser of spoof I shot all over their faces.

Being just 19, I backed up straight away and managed to fuck them both before falling asleep.

Best holiday ever. Thanks, Uncle Bob!

SIMONE
SUNSHINE COAST, QLD

This 28-year-old Italian reckons her bedroom is like her: simple and complete. ***Not sure about complete, but a few of the crew here could be described as simple. Who scores an invite?*** "Fairy. And wild." ***Fairies? As in little people with wings?*** "And a long tail." ***Okaaaay. What's a good sex position?*** "Actually, I meant fiery. The best position is like a panther." ***Um... climbing a tree?*** "I'm not a monkey, but it could work in the bedroom." ***Any other animal shapes?*** "A cat. A tiger." ***Not a sea slug?*** "Not sure what that is, but I can be." ***We'll take your word for it.***

DAISY
MELBOUNRNE, VIC

"I love my job," says this boobalicious 20-year-old Brit. "I'm a surfer chick. Well, I work as a part-time waitress, but surfing is what I really want to do." ***Ever surfed naked?*** "Yes. It was on a secluded beach with no-one to be seen, so me and my man headed there and hit the waves." ***What else is beaut naked? Don't say welding!*** "I love to do most things naked. I clean the house naked. I rode my Yamaha naked for a dare at a bikers' café called Hot Wheels. That turned a lot of heads." ***We bet it did. How many heads?*** "Roughly 100. It took some guts." ***And some grouse tits, too!***

SOPHIE
MELBOURNE, VIC

"I like men who know how to treat a woman," says this 26-year-old Swedish traveller. "I like it when a man is dominant in bed." ***What's the kinkiest think you like doing?*** "I'd say handcuffs and being blindfolded." ***Are you always the submissive one?*** "Yes. While both Australian and Swedish men are really open about sex, Australians are a bit more forward. In Sweden women often make the first step." ***Do all Swedes like running around the place in the nude, just like the awesome stereotype we've come to love?*** "I don't have a problem being naked. Especially to avoid tan lines." ***We'll try that line on the magistrate next time.***

BERRY LEE
NEWCASTLE, NSW

This 23-year-old ranga model knows how to get the party started: "All the girls and guys I tend to hook up with like my boobs." ***So you like a bit from column A and a bit from column B?*** "Sure do. I like to play in groups, too." ***What's the biggest gathering so far?*** "About four years ago I was with six people; four girls and two guys. There was lots of doggy style, both anal and vaginal, while I licked someone out or gave the other guy head with help from at least one other girl." ***Sounds quite the get-together.*** "Reverse cowgirl was good, too. No DP, though. I really want to try that." ***Good things come to those who wait – and open BOTH HOLES at once. What do you like about backdoor action?*** "It's naughty and feels amazing."

KATIE
SURRY HILLS, NSW

You should never jump to conclusions; just ask 24-year-old Katie. "I went skinny dipping recently at a nude beach in Sydney. My friends and I were just tanning when we noticed a guy filming us from the bushes. We came up to him in order to shame him and tell him off, and it turns out he was actually filming the guy right in front of us, who was his boss who he had a crush on. Whoops!" ***How often do you hit nude beaches with friends?*** "This was my first time. I loved it. No tan lines and such freedom. There are a lot of micro penises, though; you can't help but look." ***Strewth! Don't strain your eyes trying to see them, eh.***

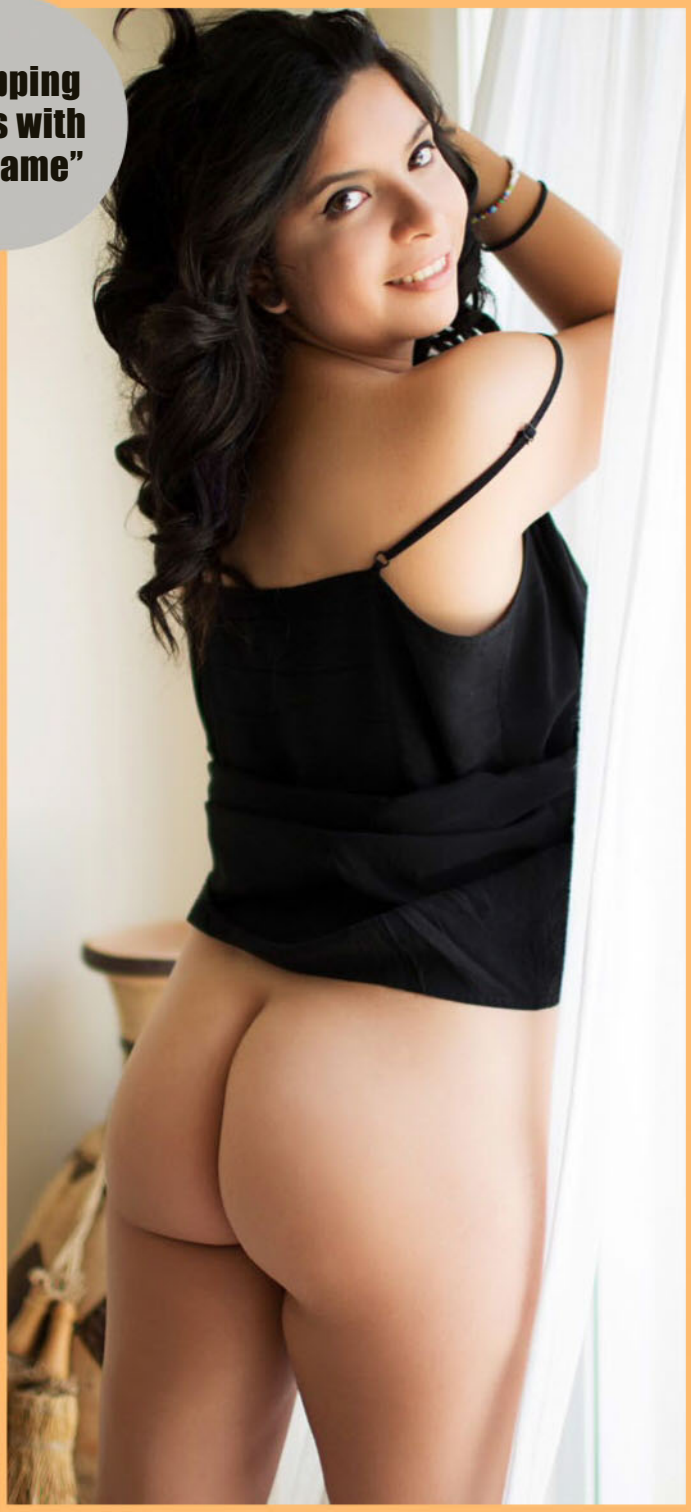
"Stripping works with any game"



ROSALINNE

MORNINGSIDE, QLD

"My favourite position is me on top, because missionary is boring," says 24-year-old motion graphics designer Rosalinne, who helped international relations along no end when she brought her beaut smile and big juicy tits all the way here from Chile. ***What else are you into?*** "I like stoner rock music, enjoy rollerblades, love people with tattoos and I do biology research for fun." ***Biology research? Surely you do something more fun than that.*** "Once I played strip poker, but I don't know how to play poker so…" ***Sounds like the house came ahead that night. What other games would be improved by putting 'strip' in front of the name?*** "Well, *Trivial Pursuit* is a long and difficult game. It would certainly be more interesting if there was stripping involved. It works with any game." ***We can't argue with you there.***

AYLA
ADELAIDE, SA

The nation's fairgrounds offer a fine array of hidden – well, sort of – venues for extra-bedroom shenanigans. Just ask 20-year-old bartender Ayla. "The most unusual place I've had sex is on a Ferris wheel. It was with an ex-boyfriend at the Royal Show." ***Did you get away with it?*** "We got caught by several people." ***Did they throw money?*** "We got a lot of hoots and wolf whistles and dirty looks from parents with children." ***Was it uncomfortable?*** "Not at the time – we were pretty intoxicated. But looking back on it; yes." ***Would you do it again?*** "Probably not, but it's a good story to tell nowadays." ***What about somewhere different next time, like the circus?*** "I'm scared of clowns." ***Come to think of it Ayla, so are we.***

ARIANA
ADELAIDE, SA

You're doing 24-year-old Ariana a favour by ogling her big luscious boobs and ripe round arse. "I do like being photographed nude." ***Lucky we like looking at you.*** "It makes me feel good and confident about myself and I am certainly not ashamed of doing it. I've posed for pics like these a few times now." ***We like a seasoned campaigner.*** "What I like about my body is my boobs and my legs. I think I have nice boobs and legs." ***What sort of blokes are you into?*** "I like a nice smile and a great personality, but what really drives me wild in bed is a guy who knows what he's doing and satisfies me."

"I'm a strong, dominant, voluptuous woman," says planet-boobed Brit Danica, 48. ***What sort of bloke gets to risk suffocation between those magnificent nungas?*** "Strong men, like firemen." ***Not magazine writers?*** "I like my men to be strong, powerful and tall." ***We're off to the gym after this. Is it just blokes or do the ladies get to go canyoning between those natural wonders, too?*** "Yes, they do. I've had sex with women. And I've had threesomes with women – and with two men." ***Front bumps like those are made to share, so that seems only right. Can we see these blokes and birds getting a face full of your titanic tittage?*** "Yes, I like watching porn and making porn." ***We all like a hobby.*** "And I like gardening." ***Naked, we hope.*** "I do enjoy outdoor sex and sunbathing naked or topless, so of course." ***We've got some seed to share, as long as you don't mind it***

The job was as an administrator and the guy who did the interview was so fit. We had sex on the desk he was interviewing me over." ***We hope you got the job.*** "He did." ***Did the 'employment benefits' continue?*** "Yes, I ended up dating him." ***Have you ridden the bike starkers?*** "Yes. As you can see, 22-year-old bartender Xenia is pretty happy on a beach with her bikini back at home in her knickers drawer. "I sunbathe and swim nude all the time. I live five minutes from a nude beach. I go at least once a week, and I love the feeling of being naked in nature. It makes me feel free and it is a great place to fool around. Especially if you know someone might be watching." ***We'll be packing our binoculars next time we travel north.*** "I like looking at sexy photos of myself. It turns me on." ***So you do your own nude selfies and porn?*** "Yes. I send them to any guys I have on the scene at the time." ***What makes for top shelf amateur porn?*** "A lot of hair-pulling and arse smacking." ***And where should the main actor deliver his money shot?*** "I like it all over my breasts. CHARLOTTE
ADELAIDE HILLS, SA

We're envious of little puppies and kittens now we've learned 22-year-old Charlotte is studying to be a veterinarian. "I am looking for work. I like studying, but a steady job would be nice. My friend wanted me to try out for your magazine." ***Bless her cotton socks. How did she manage to convince you?*** "She just told me it would be a sexy shoot." ***She was right, too.*** "She showed me a few magazines she owned. Now the rest is history. I'm usually pretty shy, but I'm trying to break out of my comfort zone. I like my legs and eyes, but I also like things like being a squirter." ***WHAT?*** "I learned I could late on, I was probably 19. I always wanted to, because I used to watch lots of videos of other girls doing it. Then solo one day, I made myself do it." ***And now the rest is history, eh?*** "Yep, I have continued to do it ever since."

TIGER LILY

I have loads of picture frames full of photos with friends and heaps of books." ***Who is lucky enough to get invited in?*** "My girls obviously. I have grown up with them and we live in the same area and are all still very close. I don't tend to invite anyone else in, but I guess it depends how good the dinner was." ***What sort of dinner would get you there?*** "The dinner that would win me over would be as romantic as possible. I want a lot of thought to have gone into it. I need something to set the mood for the evening antics." ***If you aren't using the bedroom, what's the best place away from there for sex?*** "The kitchen is my favourite."

"I need something to set the mood"

MAYS

We are all about self-esteem here at Home Girls. "This is my first published nude shoot, although I have been photographed nude before," says humungous titted 19-year-old model Mays. "I'm a model and I like it. Women should be able to embrace their body." ***We wouldn't mind giving you and those funbags a bit of an embrace.*** "That's what made me want to pose for you." ***Does getting nude for the camera give the old confidence a boost?*** "Definitely. You start to see every aspect of your body." ***And what aspect of your body is the most beaut?*** "I like my curves." ***What would you tell someone planning to enter the super-exciting world of nude modelling for Home Girls?*** "Being in front of a camera may be intimidating for you, but it's a very liberating job and lots of fun." ***And when a pair of BAZOOGAS like yours are on show, it's lots of fun for us, too.***

VICTORIA

Top-heavy Russian spunk Victoria has no time for bastard winter. "I'm in Australia every summer. This is my third summer here." ***You must like it.*** "I love everything about Australia. There's awesome weather, fresh food, cool, positive people, wonderful nature, a high standard of living, ocean and extremely beautiful beaches. I would love to live here for the rest of my life. "I met her at the pole dance studio we go to," says Tibbi about her fellow 21-year-old spunk and housemate Arna. "I went home and told my boyfriend all about the new girl at pole with the big boobs." ***And have you played with these spectacular boobs?*** **Tibbi:** "Let's just say our partners are two very, very lucky guys." ***The bastards. How was she in bed?*** **Tibbi:** "She's pretty darn good, actually." **Arna:** "Tibbi is the best girl I have had. I initiated it." ***Are either of you awful slobs to live with?*** **Arna:** "Tibbi is a good girl. She's tidy, and she walks around the house naked all the time." ***That could get her a leave pass for all manner of untidy behaviour around the house. And probably a discount on her rent, too.*** **Tibbi:** "Arna is pretty good, also. If she misbehaves I don't mind having to whip her into shape." ***Send us the photos!***

Home Girls

ZARA
MELBOURNE, VIC

CONSIDER yourself lucky to see Zara naked. The American-born beauty is a free-spirited artist, but she's not the kind of gal who just gets NYOOD in public. "Not unless I wanted to get arrested," says the 30-year-old SULTRY, SEXY and VERY SENSIBLE stunna. ***What did you like about getting nude for THE PICTURE?*** "Just being able to be free. You can't do it anywhere else. People who know me wouldn't think I'd do it." ***When do you feel your hottest?*** "When I'm at the gym. That's when I get the most looks, 'cos I'm all hot and sweaty. Guys seem to like that." ***What's your best asset?*** "My 12DD boobs. They're big for my body size and they're real. I got lucky." ***What's the best thing about having a FANTASTIC BOOZIES?*** "I guess my boyfriend likes them. I don't care about anybody else." ***What makes for a great tonk?*** "Good stamina is definitely important. Guys back home are pretty pathetic. MIABELLE
MELBOURNE, VIC

"My bedroom is my safe haven and where I do all my writing," says spunky 26-year-old Miabelle. ***What else do you do for fun between those walls?*** "I make origami to relax, so it's always full of origami. I also love soft lighting and night lights. I'm scared of the dark, so my bedroom is always glowing with various little lights and candles." ***Who gets to come in and help you feel less scared?*** "They have to be pretty special." ***People often say we're A BIT SPECIAL.*** "I'm super picky when it comes to choosing a partner." ***Let's see if we qualify, then…*** "I like people I can talk to for hours; people who are intelligent and sweet. I like people who can laugh at themselves; arrogance is such a turn off. I'm a bit of a nerd, so I like nerds too. So generally I look for a sweet, self-deprecating, perverted geeky guy."

GO FACT YOURSELF!

FUNNEL-WEBS

01. Unlike the pissant versions overseas, all Australian species of funnel-web spiders can kill ya. Are we the fucken lucky country or what?

02. Male funnel-webs are the really venomous ones. Females funnel-webs will just bitch about your drinking and spend ya money.

03. In January 2016, the spider wranglers at the Australian Reptile Park north of Sydney received a male funnel-web with a 10cm leg span. They named him Big Boy and gave him his own room.

04. Funnel-web venom is fucken bad news for primates like humans and monkeys and that, but it doesn't affect other mammals, so your dog is safe. Woof!

05. To get one dose of antivenom takes about around 70 to100 milkings from a male spider. The hardest part is getting a grip on their tiny little man boobs.

06. There have been 13 confirmed deaths from funnel-web bites, but all before the introduction of the antivenom in 1981. Yay antivenom!

07. Male funnel-webs get restless in the hot weather and prowl around looking for chick spiders to root. Much like us, really.

08. Pommy dub reggae band Zion Train had a tune called *Funnel-web Spider* on their 2000 album *Secrets of the Animal Kingdom In Dub*.

08. A giant female funnel-web found in a national park near Jervis Bay, NSW, a couple of years was estimated to be 30 years old. Her nest was two metres long.

SIZE REALLY DOES MATTER!

NEW & IMPROVED FORMULA

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.
